Dear Sir,

Sub: Replacement of Turbine of Power Plant

With reference to the captioned subject, please be informed that the Company has taken a planned shut-down of one of its three power generating units for replacement of old turbine machine by a new energy efficient turbine machine supplied by BHEL. The new turbine machine will help in generating more power from the existing quantum of steam. The unit is expected to come into operation before the end of the current financial year.

For the information of the investors, the Company has already replaced one of its old turbine with a new turbine, which came into operation in April 2017.

You are requested to take the announcement on records and disseminate the same for the information of the investors. Please acknowledge receipt.

The above information is being filed only through:
<http://listing.bseindia.com> - with BSE
NEAPS - with NSE

Thanking you,

Yours faithfully,
For Sarda Energy & Minerals Ltd.

Company Secretary
