The Board may, at an appropriate time, consider offering or inviting subscriptions for secured/ unsecured redeemable non-convertible debentures, in one or more series / tranches on private placement, issuable / redeemable at par, in order to augment long-term resources for optimizing the borrowing cost and for financing inter alia the capital expenditure and for general corporate purposes. The provisions of Sections 23, 42 and 71 of the Act read with Rule 14(2)(a) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 (the 'PAS Rules'), provide that a company shall not make a private placement of its securities unless the proposed offer of securities or invitation to subscribe to the securities has been previously approved by the Members of the Company by a special resolution.
